

Apex Physical Therapy is looking for highly motivated licensed physical therapists to join our team. Located in Spokane, WA, Apex is the leading physical therapist owned private practice in the area since 1998. Great results are what Apex is all about, and we have earned a reputation for achieving excellent outcomes - not just from our patients, but from the many medical professionals who continue to trust our consistent level of care. Apex continues to grow in the area and we are looking to add committed part-time and full-time therapists to our team.

Job description:

This position plans and administers physical therapy treatment to patients to restore function, relieve pain, and prevent disability. Participates in business development activities for the practice.

Responsibilities:

1. Review Referral, complete evaluation, confer with referring physician, and formulate treatment plans for patient's specific conditions.
2. Administer manual treatment skills, modalities, orthotic devices and modify treatment according to patient's response and condition.
3. Complete all required initial evaluative and daily progress documentation.
4. Educate and instruct patients on home care, exercises, and correction/prevention of further injury/dysfunction.
5. Attend Continued Education Classes.

Challenges:
